Dear Ms. Best:

The California Highway Patrol, Office of Community Outreach and Media Relations, received your California Public Records Act request on September 17, 2019.

In your request you asked for the following, verbatim:

- Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present.

Your request does not reasonably describe an identifiable record. Rather, it requests documents describing aspects of visits from federal officials from January, 2001, to the present.

If you would like to discuss this request directly, so that we may better determine what you seek, please contact this office at (916) 843-3310.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. N. Miller".

S. N. MILLER, Captain

Commander
